

# 55 VOLANTE

With **55 VOLANTE** we want to provide the barista with as many tools as possible to allow him to customize and control the work. Independent coffee groups (saturated) allow the setting of different temperatures. Independent steam boilers allow the setting of different pressures. Temperature probe and timer on the steam wand give full control to the barista over the milk transformation. We made it easy with 55 VOLANTE: all the ordinary and extraordinary maintenance can be carried out from the front of the machine, halving the time and making the intervention easier. The materials we used and their robustness make it a unique machine.

**55 Volante** standard model  
3 groups

Key features:

- **Multiboiler / Multisteam**
  - **P.I.D. heating system**
  - **Display TFT touch screen (colors)**
  - **Steam pipe probe temperature**
  - **Timer for coffee extraction and steam**
  - **Automatic switch off**
  - **Energy saving**
  - **Coffee counter**
  - **Automatic washing**
  - **Maintenance warns**
  - **Ligh led (standard)**
- **Smooth flow:** dispensing flow sweet and steady for an espresso made with velvety homogeneous texture
  - **Fingerboard “easy use”:** it's conceived in a very intuitive way and to be comfortable to the touch
  - **Drip tray:** adjustable grid, facilitates the management of different sized cups. It helps to work with the different cup formats.
  - **Customizable machine** (see customization list pag 4)

# XLVI

OPERA DEL VAPORE

## **55 VOLANTE ELECTRONIC** **2 groups**

multiboiler/multisteam

ITEM 1150001 (standard model)

### **TECHNICAL CHARACTERISTICS**

<i>Net weight</i>	92 Kg
<i>Power</i>	5000 W
<i>Steam boilers capacity</i>	4,5 + 4,5 l
<i>Service boiler capacity</i>	3,5 l
<i>Voltage</i>	220-240 V
<i>Size</i>	D 62 cm
	W 76 cm
	H 60 cm

## **55 VOLANTE ELECTRONIC** **3 groups**

multiboiler/multisteam

ITEM 1150002 (standard model)

### **TECHNICAL CHARACTERISTICS**

<i>Net weight</i>	106 Kg
<i>Power</i>	6000 W
<i>Steam boilers capacity</i>	4,5 + 4,5 l
<i>Service boiler capacity</i>	3,5 l
<i>Voltage</i>	220-240 V
<i>Size</i>	D 62 cm
	W 96 cm
	H 60 cm
